PRINCESS
Distinction in Detail

Distinction in Detail

Your yacht is a part of your life. It's a home from home, a space to relax, a gateway to adventure, and a place to spend time with the people who matter most.

A Princess yacht makes the experience unforgettable. Combining breathtaking design, meticulous craftsmanship, cutting-edge technology and exceptional levels of personalisation, our craft set new standards in performance, comfort and style.

Wherever your voyage takes you, you'll remember every moment.

Distinction in Detail

At our shipyards in Plymouth, founded in 1965 on the edge of the English Channel, a highly skilled team of craftspeople come together to create something remarkable.

From designers to engineers, laminators to electricians, carpenters to metalworkers, each one possesses a mastery of their individual craft. And each one is completely focused on the details for which they are responsible.

Because by focusing on every detail, the end result is exactly how we want it to be. By taking pride in every detail, we can be proud of the finished yacht. And by perfecting every detail, we can create the perfect experience.

F Class

Superior style meets exceptional practicality in the stunning F Class. A beautifully considered layout makes clever use of the space to make life onboard effortless, while the sleek geometric design makes every aspect breathtaking, inside and out. It's perfect for families and ideal for entertaining.

F65

The all-new F65 boasts a contemporary use of layout featuring the latest geometric design elements. Focused around a sociable use of space she provides accommodation for eight guests across four cabins. Vast panoramic saloon windows and signature wrap around front screens offer uninterrupted vistas from the main deck whilst elongated hull windows generously flood her accommodation areas with light. The expansive main deck is segmented into an aft galley with dinette, saloon with large U-shaped sofa plus companion seating opposite the helmsman area which features a side access door to the deck.

The foredeck provides the perfect spot to enjoy outdoor relaxation with split sunpads and the ability to include an integrated cool box.

Her contemporary flybridge is the perfect outdoor entertaining area, with ergonomic dining seating, wetbar with barbecue, coolbox and sink, plus an aft sunbed and L-shaped companion seat with infill as a secondary sunbed.

F58

The all-new Princess F58 is the latest addition to the acclaimed F-Class series and is unmistakably Princess. Elegant lines, exceptional space and a level of specification and standard of finish normally reserved for much larger craft. This is no truer than with her exterior spaces which have been designed with sociability and relaxation very much in mind. From the vast flybridge that has been designed to maximise guest space, to the foredeck 'terrace' which is large enough to entertain or simply offer a tranquil place to relax, and is a very popular feature borrowed from our larger yachts. Or, the generous cockpit that flows seamlessly into the saloon and down on to the bathing platform which is itself equipped with seating and an optional BBQ to create a mini beach club adjacent to the water.

Inside, the interior blends meticulous craftsmanship with a contemporary, yet timeless design that flows throughout her spacious accommodation. The saloon is surrounded by panoramic windows filling the space with natural light and connecting effortlessly to the outside. The fully equipped galley is situated aft of the saloon and links the cockpit and interior dining spaces making this a highly sociable layout.

On the lower deck are three beautifully detailed cabins including a spacious forward VIP guest cabin, a twin to starboard, which can be converted into a third double, and a full-beam owner's stateroom featuring a 'superyacht' style ensuite bathroom and walk-in wardrobe which also make full use of her generous beam. The new Princess F58 truly is a yacht without compromise and is already proving to be a very popular addition to the F-Class family.

F55

Equipped with twin Volvo D13-900 engines providing speeds up to 33 knots, in addition to a deep-V resin-infused hull, the F55 delivers dynamic and effortless seakeeping.

As seen on larger yachts in the range, the cockpit servery unit connects to the galley unit, seamlessly integrating the two entertainment areas. The spacious main deck saloon is accentuated by vast saloon windows, complemented by subtle accent lighting, soft fabric finishes and hand-stitched detailing. A contemporary U-shaped sofa with convertible coffee/dining table and sofa adjacent, creates the perfect place to spend time with loved ones.

Below deck, new expansive hull windows generously flood the three cabins with light, including the master stateroom with dressing table, breakfast area and en-suite bathroom, a forward double guest cabin and starboard twin cabin with the option of a double bed conversion. An optional single aft cabin with en-suite and storage is ideal for crew.

F50

Featuring the latest F Class exterior styling, and advanced technology on-board, the F50 flybridge yacht delivers dynamic performance at sea.

The F50 features a sophisticated standard of refinement with contemporary finishes and handcrafted elements throughout. The sociable cockpit leads through to the main saloon, with open galley aft and large U-shaped sofa and dining table for six guests.

Guests are accommodated on-board across three beautifully appointed cabins, two of which are en-suite. The spacious full-beam master stateroom invites relaxation, with a double bed, sofa and dressing area. The generous en-suite forward stateroom includes a large double bed with the option of scissor berths to provide flexibility for guests.

New technology is available on-board, including Gyro stabilizers and Volvo Penta Easy boating as an option to complement the F50's advanced resin-infused hull and efficient twin Volvo D8-IPS 800 (2 x 600mhp) engines which provide speeds up to 34 knots.

Global Coverage

Disclaimer

* Displacements are calculated with 50% fuel and water with liferaft but with no optional equipment fitted or other gear.

† Maximum speeds will vary depending on cleanliness of hull, condition of sterngear, loading of craft, water and air temperatures, sea conditions and other factors. Speed estimates are therefore given in good faith but without warranty or liability on the part of Princess Yachts Limited. Craft illustrated in this brochure may be fitted with certain optional equipment. Specifications may be changed at any time without notice or liability.

‡ Certain specifications, which vary by model, are upgraded on Princess Yachts built for use in North America. Thus, specifications and equipment will vary from the information listed in the brochure for North American Princess Yachts (e.g. air conditioning and an upgraded generator will be included as standard for all North American models and electric cooking facilities will be supplied in place of gas systems). Please contact Princess Yachts America for full details regarding the North American specifications for individual models.
